Online Store Management System

One Byte

Introduction

REASON DOING THE STOCK MANAGEMENT WEBSITE

The store is lack of a stock management system to make things to be organised and neat

OBJECTIVE DOING THE STOCK MANAGEMENT WEBSITE

To improve the storing quality and
improve the work rate of the storekeeper

One Byte

Concept

STORY OF WHY CREATING THIS MANAGEMENT WEBSITE

A store that lacks management will cause many lost. It is because in businesses Many people said that time is money Therefore make the store more needed And tidiness will make everyone work lesser and better.

One Byte
